

# Product Information Sheet

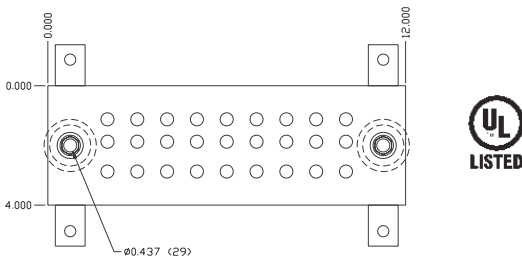

## STANDARD BUSBARS

CPI Standard Busbars are insulated ground bus mounting plates specifically designed for commercial applications. The Hard-Drawn Electrolytic Tough Pitch 110 Alloy solid copper ground bars are 1/4" thick and stand off 2.75" from the backboard or wall. The 10" Busbar accepts 1/4" single bolt lugs. The 12" and 20" Busbars provide connection for nine or 17 lugs respectively, accepting lugs with either 3/4", 1" or 1-3/4" centers. Any lug with 3/8" bolts may be used.

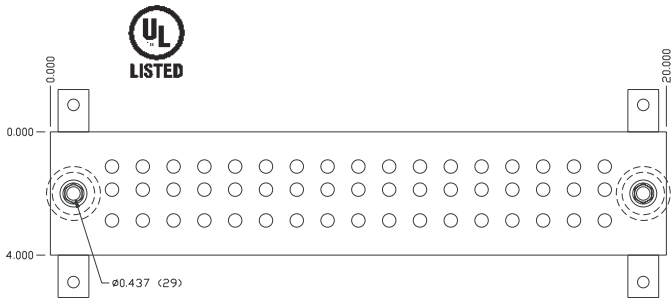

- Each Busbar assembly consists of:
  - 1 Busbar
  - 2 insulators
  - 2 stand-off brackets
  - 4 stainless steel bolts
  - 4 lock washers
  - 4 flat washers
- All Busbars ship individually and preassembled
- Other configurations available on request
- UL Listed
