

Product Cut Sheet

Solid Mid Panel for Evolution™ Cable Manager

Solid Mid Panel covers and divides the front and rear of the Evolution g2 Double-Sided Vertical Cable Manager.

- Easy installation – nested two-piece assembly telescopes to cover the width of the manager; attaches to the back of the Moveable Mid-Sections inside the manager with included hardware
- Does not block attachment of additional Moveable Mid-Sections or other cable management accessories inside the manager
- Includes one Moveable Mid-Section for 7'H (2.1 m) manager and two for 8'H (1.8 m) manager
- Sold individually or in packs of four; select to match the width and height of the cable manager
