Descripción producto

Descripción: In exchange for a damaged PU seal. This makes it more resistant to cleaning agents and disinfectants.

Observación para el montaje: The foamed-in PU seal can be removed without leaving a residue and the surface cleaned. The self-adhesive silicone seal must be pressed into the exact position, with the top horizontal sealing strip covering the vertical strip without any gaps.

Material: Silicone foam profile

Color: blanco

Características del producto

Longitud: 25 m

Peso/UE: 1.6 kg
